

# REGISTRATION FOR THE MISSISSIPPI PRESCRIPTION MONITORING PROGRAM (PMP)

Enter the MSPMP link below in your internet browser:

<https://mississippi.pmpaware.net/login>

Click on create an account. Input your **personal** email address and create a password. Hit “Save and Continue”. This email address must be specific to you without anyone else having access to it (no clinic or pharmacy emails with multiple individuals having access).

Under the dropdown selections, select your profession and Hit “Save and Continue”.

Once you submit your registration, make sure you check your email.

You will receive an email from PMP Aware that you will need to open. This email will contain instructions on how to verify your email address. NOTE: Your account will not be approved until this step is taken.

Should you need further assistance or have any questions, please send an email to:

[mspmpassist@mbp.ms.gov](mailto:mspmpassist@mbp.ms.gov) or call 1-601-899-0138.
